For over 40 years SBI has been a leading provider of furniture and services designed to transform ordinary classrooms into enhanced learning spaces that are flexible, functional, and engaging. We believe that innovation in classroom design boosts the potential for students and instructors to engage more effectively in the learning process.

From K-12 to institutions of higher learning, educators, administrators, and architects rely on SBI for our top-quality products, broad experience, seamless procurement processes, and proven results.

Our In-Stock Fulfillment Catalog is a collection of high-quality products which are stocked by our top vendors and in quick ship programs. When your project requires a short turnaround time, the broad range of seating, desks, tables, and storage solutions are all ready to ship and deliver to your facility without delay. Quantities and colors are limited. Contact your local SBI Sales Consultant to confirm availability and to place your order today!
