

OVERVIEW

Experience ultimate comfort with the Apex Series chair, boasting a modern ergonomic and patented design. Crafted for all-day comfort, its contoured back ensures optimal support whether sitting upright, reclining slightly, or adjusting to multiple seating positions. The downward swept front seat edge enhances seating position, while its stylish silhouette offers freedom of movement and functional support. Discover the perfect blend of comfort, functionality, and value in every seat.

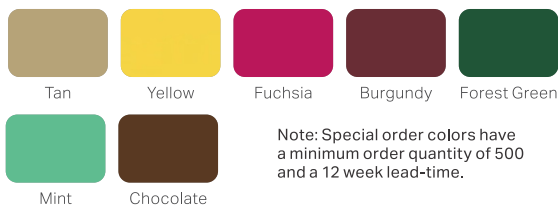

FEATURES

- Polypropylene seat shell with flexible back
- Steel brackets welded to frame for added strength
- Legs constructed of 1-1/8" tubular steel
- Nickel-plated, self-leveling nylon glides
- 10 year warranty
