Footrest

Bag hook

ROBUST FUNCTION

Stout tables were designed to meet the functional needs of STEAM-oriented learning environments and makerspaces. The rigid frame supports demands of high-traffic spaces and can be specified with a height-adjustable base, pegboard end panels or hooks to accommodate user needs. Integrated power solutions ensure electronic devices stay charged for modern learning styles.

STOUT STATEMENT OF LINE

Not all options shown.

Featuring a robust rectangular frame and steel perimeter apron for strength and support, Stout tables are available in a wide range of worksurface options and finish materials.
