

# NOVA<sup>2</sup> SERIES

Seating

education **environments**  
flexible. functional. engaging.

## Simple. Supportive. Built to last.

The Nova Chair delivers everyday comfort with ergonomic smartly-shaped to support proper posture and reduce fatigue, even through long learning blocks. Its contoured seat and back follow the natural curve of the body, keeping students focused and at ease.

Designed for real classrooms and real budgets, Nova is proof that you don't have to sacrifice quality to stay within reach. Tough enough for daily use. Smart enough for any space. Affordable enough for every school.
