SBI Desks and Tables for Education

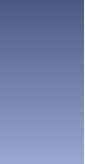

For over 40 years SBI has been a leading provider of furniture and services designed to transform ordinary classrooms into enhanced learning spaces that are flexible, functional, and engaging. We believe that innovation in classroom design boosts the potential for students and instructors to engage more effectively in the learning process.

From K-12 to institutions of higher learning, educators, administrators, and architects rely on SBI for our top-quality products, broad experience, seamless procurement processes, and proven results.

At SBI, our mission is to be the go-to resource for turnkey solutions in every educational space. Whether for classrooms, commons, media centers, cafeterias, or administrative areas, we offer the highest quality furniture and equipment to meet every space's plan and budget. We bring a thorough understanding of the effects of good environmental design on learning and working spaces. And we share these best practices with our customers to help ensure the success of every project.

Flexible desks & tables for interactive learning spaces create an adaptable environment where students can easily innovate, engage and explore.

Stout Table with Intellect Wave Stools

Student Desks

ELO Loyal

Desk Shape:

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.

ELO Legs: 14-gauge round steel tubing fully welded to a 10-gauge triangular mounting plate, all powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 30" W x 22" D | 31" W x 23" D (XL)

Adjustable Height: 20-1/4" to 30-1/4"

EON Weston

Desk Shape:

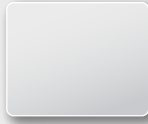

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.

EON Legs: 16-gauge round steel tubing fully welded to a 12-gauge triangular mounting plate, all powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 32" W x 23-7/8" D

Adjustable Height: 20-1/4" to 32-1/4"

Desk Shape:

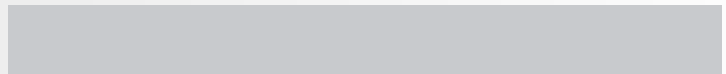

Apex Collaborative

Tops: High pressure laminate bonded to particleboard core. With 3mm PVC edgebanding options in 10 colors. Finished top is 1-1/4" thick, available in a variety of sizes and shapes.

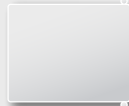

Legs: Powder coated 16-gauge steel.

Dimensions: 30" & 36" W x 20" & 24" D

Adjustable Height: 21" to 30"

Desk Shape:

Ruckus Stacking

Conveniently free up space, support active learning and boost student engagement. With unitized frame construction that provides more strength and durability. Desks are lightweight and easy to safely stack up to 4-high. Available in a variety of frame and laminate colors, tops with round or square corners.

Dimensions: 30" & 36" W x 20" & 24" D

Adjustable Height: 21" to 32" | Fixed: 29" H

Desk Shape:

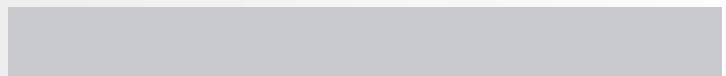

EON Adapt II

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edgebanding options. Finished top is 1-1/4" thick.

EON Legs: 16-gauge round steel tubing fully welded to a 12-gauge triangular mounting plate, all powder coated.

Dimensions: 33" W x 22" D

Adjustable Height: 21-1/4" to 34-1/4"

EON Plymouth Desk with Scennie Chairs

“ Contact SBI for support and advice in matching the right desk or table solution with any education space. ”

Desk Shape:

ELO Adapt

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.

ELO Legs: 14-gauge round steel tubing fully welded to a 10-gauge triangular mounting plate, all powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 30" W x 22-1/2" D | 33" W x 22-1/2" D
Adjustable Height: 20-1/4" to 30-1/4"

Desk Shape:

Elevate Arcadia and Aidacra

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.

Elevate Base: Adjustable pneumatic column of three steel tubes, powder coated, with casters or glides. Height adjustment handle attached under top for easy access.

Dimensions: 28-3/4" W x 26-1/4" D
Adjustable Height: 30" to 43"

Desk Shape:

UNE-T Connect 8

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.

UNE-T Legs: 1-1/2" 16-gauge square steel tubing fully welded to a 10-gauge mounting plate, all powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 32-1/2" W x 22" D
Adjustable Height: 22-1/4" to 34-1/4"

Desk Shape:

ELO Hurley

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.

ELO Legs: 14-gauge round steel tubing fully welded to a 10-gauge triangular mounting plate, all powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 33" W x 21-1/2" D
Adjustable Height: 20-1/4" to 30-1/4"

Desk Shape:

Ruckus Post-Leg

Enhance collaborative or focused work in both active and traditional learning spaces with a variety of shapes. Leg options of fixed height and adjustable height, with casters or levelers to support mobility. Available in a variety of colors.

Dimensions: 30" & 36" W | 20" & 24" D

Adjustable Height: 19-1/2" to 32-1/2"

Desk Shape:

Intellect Wave

Curved cantilever desk legs ease entry and exit, and results in narrower row-to-row spacing allowance. Elliptical tubing provides superior frame strength, with high-pressure laminated or molded thermoset plastic tops.

Dimensions: 26" W x 19" D

Fixed Height: 25", 27" or 29"

Desk Shape:

Ruckus Cantilever

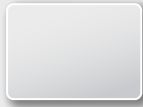

Generously sized worksurface with a curved edge, durable poly edgebanding, and a unique single post cantilever base to maximize leg clearance and improve entry and exit. Optional storage accessories enhance functionality.

Dimensions: 30" W x 20" D

Adjustable Height: 27-1/4" to 41-1/2" | Fixed: 29" H

Desk Shape:

EON Plymouth

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.

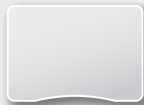

EON Legs: 16-gauge round steel tubing fully welded to a 12-gauge triangular mounting plate, all powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 28-1/2" & 36" W | 20" & 24" D

Adjustable Height: 21-1/4" to 34-1/4"

Desk Shape:

Elevate Plymouth II

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.

Elevate Base: Adjustable pneumatic column of three steel tubes, powder coated, with casters or glides. Height adjustment handle attached under top for easy access.

Dimensions: 28-1/2" W x 20" D

Adjustable Height: 30" to 43"

ELO Connect 4 Desks with ErgoEngage Chairs

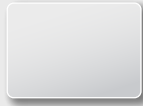

With a multitude of unique shapes, desks provided by SBI encourage regular changes in classroom layouts.

Ruckus Post-Leg Tables with Cogni Cantilever Chairs

“ Dynamic environments call for adaptable desks and tables that are both inspired by and designed for how people learn. ”

Desk Shape:

Premier Rectangle

Tops: TFL melamine bonded to particleboard core. With 3mm PVC edgebanding options in nine colors. Finished top is 1-1/8" thick, available in a variety of sizes and shapes.
 Legs: Powder coated 16-gauge steel, with adjustable nylon glides for easy leveling.

Dimensions: 30" & 36" W | 20" & 24" D
 Adjustable Height: 21" to 31" | 32" to 42"

Desk Shape:

UNE-T Plymouth II

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edgebanding options. Finished top is 1-1/4" thick.
 UNE-T Legs: 1-1/2" 16-gauge square steel tubing fully welded to a 10-gauge mounting plate, all powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 28-1/2" W x 20" D
 Adjustable Height: 22-1/4" to 34-1/4"

Desk Shape:

Sidekick Stacker

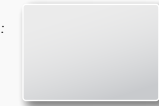

Tops: High pressure laminate with 3mm PVC edgebanding options. Finished top is 1" thick.
 Legs & Frame: Fully welded with round tube legs and protective worksurface bumpers to protect when stacking. Wheelbarrow style mobility with levelers and casters. Stacks up to three high.

Dimensions: 27" to 36" W | 20" to 24" D
 Adjustable Height: 24" to 32"

Desk Shape:

Unitized Frame Plane

Tops: High pressure laminate with 3mm PVC edgebanding options. Finished top is 1" thick.
 Legs & Frame: Fully welded with round tube legs and protective worksurface bumpers to protect when stacking. Wheelbarrow style mobility with levelers and casters. Stacks up to three high.

Dimensions: 27" to 36" W | 20" to 24" D
 Adjustable Height: 24" to 32"

Student Tables

Flip Top Table

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.
 Legs: Steel column with aluminum foot. Flip mechanism with plastic covers over internal parts ensures no pinch points. Top is easily flipped by one person.

Dimensions: 48", 60", 72" W | 20", 24", 30" D
 Height: 29-5/8" with casters.

ELO Two Student Table

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.
 ELO Legs: 14-gauge round steel tubing fully welded to a 10-gauge triangular mounting plate, all powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 48", 60", 72", 96" W | 24", 30", 36", 42", 48" D
 Adjustable Height: 20-1/4" to 32-1/4"

Ruckus Activity Table

Enhance collaborative or focused work in both active and traditional learning spaces with a variety of shapes, supporting students of any age. Leg options of fixed height and adjustable height. Available in a variety of colors. With glides, casters, or wheelbarrow base to support mobility.

Dimensions: 48", 54", 60", 66", 72" W | 20" to 48" D
Adjustable Height: 20" to 33"

Elevate Table

High pressure laminate top with exclusive Lotz Armor Edge or 3mm PVC edgebanding, available in a variety of colors. Finished top is 1-1/4" thick. Pneumatic columns fully welded to support frame. Easily adjust height with accessible control handle. Available with glides or casters.

Dimensions: 60" W x 24" D
Adjustable Height: 27-1/2" to 40-1/2"

Apex Table

Tops of high pressure laminate bonded to particleboard core. With 3mm PVC edgebanding options in 10 colors. Finished top is 1-1/4" thick, available in a variety of sizes and shapes. Legs are powder coated 16-gauge steel, with 16-gauge steel support stretcher.

Dimensions: 48", 54", 60", 72" W | 20", 24", 30", 36" D
Adjustable Height: 21" to 30"

Serenade Gathering

Promotes collaboration and engagement, fostering spaces conducive to togetherness. Laminated panel construction, with 2" top, support legs, and central modesty panel. With matching laminated edges and adjustable glides. Available with optional fully integrated power. Standard 29" height or 42" Café height.

Width: 60", 72", 84", 96", 108", 120", 144"
Depth: 18", 24", 30", 36", 42"

EON Table

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edge-banding options. Finished top is 1-1/4" thick.

EON Legs: 16-gauge round steel tubing fully welded to a 12-gauge triangular mounting plate, all powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 48", 60", 72", 96" W | 24", 30", 36", 42", 48" D
Adjustable Height: 20-1/4" to 32-1/4"

EPIC Table

Tops: Available in High Pressure Laminate, Butcherblock, Stainless Steel, or Phenolic. Laminated tops with exclusive water tight Lotz Armor Edge or 3mm PVC edgebanding. Base: 16-gauge steel tubing frame fully welded together, with steel tube legs, all powder coated. With locking, heavy-duty 3" casters.

Dimensions: 42", 48", 54", 60", 72" W | 24", 30", 36", 42" D
Adjustable Height: 29-1/2" to 41-1/2" | Fixed: 29", 36", 40"

Training Table

A smart fit for any learning space. Sleek and durable construction, with adjustable powder coated legs and leveling glides. Top is thermally fused TFL applied to particleboard core, with 3mm PVC edgebanding available in a variety of colors.

Dimensions: 48", 60", 72" W | 24", 30", 36" D
Adjustable Height: 22" to 30"

Pirouette Flip Table

Offering a variety of worksurface shapes and base styles to create cohesive and adaptive spaces. With pneumatic or screw height adjustment, and a single-handed lever that flips the worksurface for nesting. Available as dual-sided table, or with collaboration base legs inset on each end allowing for seating on all four sides.

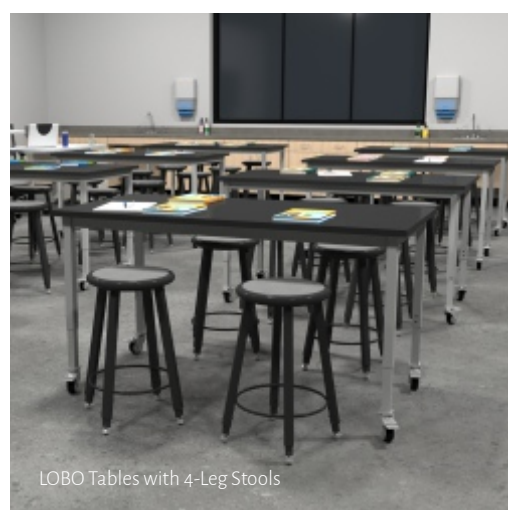

Dimensions: 48", 54", 60", 66", 72" W | 24", 30" D
Adjustable Height: 29" to 44" | 29" Fixed

Tributaire Nesting

Define learning and training spaces that encourage collaboration and sharing. With pneumatic or screw height adjustment, and a single-handed lever that flips the worksurface for nesting. Optional accessories including power modules, and laminated or felt covered modesty panels available.

Dimensions: 54", 60", 66", 72", 84", 96" W | 24", 30", 36" D
Adjustable Height: 29" to 44" | 29", 36", 42" Fixed

LOBO Tables with 4-Leg Stools

Height-adjustable table options provide the flexibility to create tiered classrooms for improved sightlines.

Stout Tables with Stainless Steel Tops

“ Highly functional and durable tops of Laminate, Butcherblock, Stainless Steel, or Phenolic Resin are designed to meet the high-impact needs of specialty environments. ”

Stout Table

Highly functional and durable, designed to meet the high-impact needs of Makerspace and STEAM environments. With rigid frame engineered for durability and strength, and enhancement options from integrated power to pegboards and hooks. Fixed or adjustable height, with casters for dynamic learning spaces.

Dimensions: 48", 60", 72", 84" W | 24", 30", 36", 42", 48" D
Adjustable Height: 27" to 40" | 29", 36", 40" Fixed

LOBO Table

Tops: Available in High Pressure Laminate, Butcherblock, Stainless Steel, or Phenolic. Laminated tops with exclusive water tight Lotz Armor Edge or 3mm PVC edgebanding. Frame: Solid steel 16-gauge welded frame with attached 14-gauge steel legs in fixed or adjustable height options, all powder coated in textured black or smooth silver.

Dimensions: 48", 54", 60", 72", 84", 96" W | 24", 30", 36", 48" D
Adjustable Height: 23-1/2" to 37-1/2" | Fixed 29-1/2"

UNE-T Table

Tops: High pressure laminate bonded to MDF core. With exclusive water tight Lotz Armor Edge or 3mm PVC edgebanding options. Finished top is 1-1/4" thick. UNE-T Legs: 1-1/2" 16-gauge square steel tubing fully welded to a 10-gauge mounting plate, all powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 48", 54", 60", 72" W | 20", 24" D
Adjustable Height: 20-1/4" to 32-1/4" | 27-1/4" to 39-1/4"

Premier Table

Tops: TFL melamine bonded to particleboard core. With 3mm PVC edgebanding options in nine colors. Finished top is 1-1/8" thick, available in a variety of sizes and shapes. Legs: Powder coated 16-gauge steel, with adjustable nylon glides for easy leveling.

Dimensions: 48", 54", 60", 72" W | 20", 24", 30", 36", 42" D
Adjustable Height: 21" to 31" | 32" to 42"

Specialty

Stout Tables

Highly functional and durable, designed to meet the high-impact needs of Makerspace and STEAM environments. With rigid frame engineered for durability and strength, and enhancement options from integrated power to pegboards and hooks. Fixed or adjustable height, with casters for dynamic learning spaces.

Dimensions: 48", 60", 72", 84" W | 24", 30", 36", 42", 48" D
Adjustable Height: 27" to 40" | 29", 36", 40" Fixed

Athens Table

Unite individuals, encouraging dynamic discussions and teamwork. Ideal for media center and other student gathering spaces. Select from round, square, rounded square, and rounded rectangular shapes. With flat or tapered bases made of heavy-duty, powder coated steel. Fixed or adjustable heights.

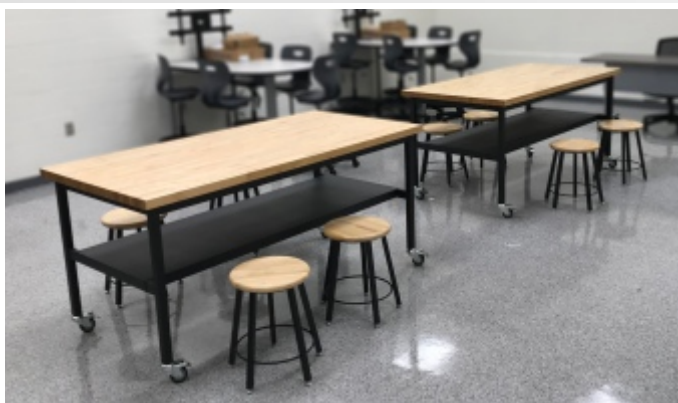

Dimensions: 24", 30", 36", 42" | Square or Round
Adjustable Height: 27" to 44" | 29", 42" Fixed

Stout Table

Highly functional and durable, designed to meet the high-impact needs of specialty environments. With rigid frame engineered for durability and strength, and enhancement options from integrated power to pegboards. Fixed or adjustable height, with casters for dynamic learning spaces.

EPIC Table

Available with Laminated, Butcherblock, Stainless Steel, or Phenolic tops. Exclusive Lotz Armor Edge or 3mm PVC edgebanding on laminated tops. With 16-gauge steel tubing frame fully welded, and steel tube legs, all powder coated. Locking, heavy-duty 3" casters included.

Dimensions: 48", 54", 60", 72" W | 24", 30", 36", 42" D
 Adj. Height: 29-1/2" to 41-1/2" | Fixed: 29", 36", 40"

Crossroads Library Furnishings

Elevate any environment through refined, transitional design and subtle elements that address diverse needs.

“ Available in a variety of shapes and sizes, specialty tables offer a rare combination of durability, utility, and style. ”

T-Leg Table

A smart fit for any learning space. Sleek and durable construction, with adjustable powder coated legs and leveling glides. Top is thermally fused TFL applied to particleboard core, with 3mm PVC edgebanding available in a variety of colors.

Dimensions: 48", 60", 72" W | 24", 30", 36" D
Adjustable Height: 22" to 30"

ELO Nimbus Table

Available in a variety of collaborative shapes for larger groups, small teams, or individual learning activities. High pressure laminated tops with Lotz Armor Edge or 3mm PVC edgebanding. ELO Legs are 14-gauge round steel tubing, powder coated. Fixed or adjustable height, with glides or casters.

Dimensions: 55-1/2" W x 39-1/4" D
Adjustable Height: 20-1/4" to 32-1/4" | 29-1/4" Fixed

GRAVIT8 Worktable

Designed for the makers, thinkers and doers to bring minds together. With a sturdy 4-leg design and industrial-grade 5" casters, built tough yet moves easily to keep pace with the flow of specialty learning environments. Additionally integrated shelving and organization options keep supplies close at hand and clutter-free.

Dimensions: 72" W x 36" H x 36" D

Ruckus Worktable

Highly functional and durable, designed to meet the high-impact needs of Makerspace and STEAM environments. With laminated, butcherblock, or phenolic tops. Cubby and tote storage, with doors or without. Optional power module available. With durable industrial-grade 3" casters for easy movement.

Depth: 30" Single Faced | 48", 60" Double Faced

Instructor's

Elevate Crescent Lectern

Crescent shaped or round laminated tops available with exclusive water tight Lotz Armor Edge or 3mm PVC edgebanding in various colors. With Pneumatic steel column and X-Base, all powder coated smooth silver or textured black. With soft tread, locking casters, and foot pedal to easily adjust lectern height.

Dimensions: 30" W x 30" D | Round or Crescent
Adjustable Height: 29" to 42"

Elevate Plymouth II Lectern

Rectangular shaped laminated tops available with exclusive water tight Lotz Armor Edge or 3mm PVC edgebanding in various colors. With Pneumatic three-tube steel column and base, all powder coated smooth silver or textured black. With soft tread, locking casters, and height adjustment handle attached under the top for easy access.

Dimensions: 28-1/2" W x 20" or 24" D
Adjustable Height: 30" to 43"

Cue Collection

Laminated components with 3mm PVC edgebanding, steel frame powder coated gray or black, with lever activated pneumatic air cylinder to adjust component heights. Integrated magnets secure desk and lectern on either side of the desk.

Desk: 60" W x 30" D | Adjustable Height: 28" to 42"
 Lectern: 30" W x 19" D | Adjustable Height: 28" to 42"

Instruct Desks

Providing exceptional durability and flexibility in a wide range of classroom instruction and activities. Laminated top in rectangle or rounded shape, with durable steel storage options. Metal T-Leg or Post-Leg options. Modesty panel optional.

Desk: 54", 60" W x 24" D x 29" H
 Lectern: 22" W x 22" D x 40", 45" H

Horseshoe Table with Ricochet Stools
