SBI Seating for Education

For over 40 years SBI has been a leading provider of furniture and services designed to transform ordinary classrooms into enhanced learning spaces that are flexible, functional, and engaging. We believe that innovation in classroom design boosts the potential for students and instructors to engage more effectively in the learning process.

From K-12 to institutions of higher learning, educators, administrators, and architects rely on SBI for our top-quality products, broad experience, seamless procurement processes, and proven results.

At SBI, our mission is to be the go-to resource for turnkey solutions in every educational space. Whether for classrooms, commons, media centers, cafeterias, or administrative areas, we offer the highest quality furniture and equipment to meet every space's plan and budget. We bring a thorough understanding of the effects of good environmental design on learning and working spaces. And we share these best practices with our customers to help ensure the success of every project.

Flexible seating for interactive learning spaces create an adaptable environment where students can easily innovate, engage and explore.

Soft Seating Connect Series Components

Student Seating

ErgoEngage

Budget friendly forward flexing cantilever student chair made of bent powder coated steel tubing. Available in a variety of seat colors, metal finishes, and glide colors to match seat color selection.

Seat Heights: 12-1/4" | 13-3/4" | 15" | 17" | 18" | 20"

20 Colors Including: Beige | Black | Blue | Brown | Green
Lt. Blue | Navy Blue | Orange | Red | White | Yellow.

Sconnie

Cantilever chair with blow-molded shell, fabricated using polypropylene compounds to create a rigid yet flexible ergonomic structure. Legs are 13-gauge powder-coated, heavy duty steel tubing, with nylon glides.

Seat Heights: 14" | 16" | 18"

6 Colors Including: Black | Charcoal | Red | Indigo (Navy)
Blue | Dove Grey | Royal Blue.

Cogni

Designed to support comfort, focus, and movement. With exclusive heel-wheel to act as anti-tip mechanism, and sensory surface on chair shroud to promote tactile engagement. Cantilever or 4-Leg styles available.

Seat Heights: 12" | 14" | 16" | 18"

Shell Colors: 28 Options Available
Frame Colors: 34 Options Available

Intellect Wave

Unique flexing, static-free shell design provides comfort and stability. With one piece contoured polypropylene shell, and elliptical steel tubing frame for added strength and durability. Cantilever or 4-Leg styles available.

Seat Heights: 10" | 14" | 16" | 18" | 24" | 30"

Shell Colors: 28 Options Available
Frame Colors: 34 Options Available

Apex 4-Legged

Seat is crafted for all day comfort, with contoured back to ensure optimal support, with slight flex for reclined sitting. Tubular steel, powder coated or chrome leg design, with nickel plated self-leveling nylon glides. Stacks 6-high.

Seat Heights: 12" | 14" | 16" | 18"

9 Colors Including: Black | Navy | Blue | Apple | Charcoal Red | Blueberry | Orange | Purple

Premier Series Stacking

Includes a signature four-sided waterfall seat edge, offering sitting support from every angle. Contoured back hugs the body just right. With tubular steel legs in powder coated or chrome finish. Stacks 8-high.

Seat Heights: 16" | 18"

15 Colors Including: Gray | Black | Navy | Blue | Blueberry Apple | Orange | Red | Purple

“ The dynamic wobble seat design of the Ricochet Stool encourages regular changes in sitting positions, activating the body and mind. ”

Ricochet Stools

Compact and lightweight, designed to encourage posture changes which increase focus and engagement. The convex base allows for a safe and stable wobble. Mix or match base and column colors.

Seat Heights: 12" | 14" | 16" | 18" | 20"

10 Colors Including: Cayenne | Everglade Shade | Nemo Flannel | Rubber Ducky | Nordic | Ultra Blue | Zesty Lime Purple Haze | Rainforest

Ruckus Chair

Innovative non-directional design allows students to move and sit in their own way. With integrated armrest to function as a work ledge, backrest, or place to perch. Stackable with or without book bag rack.

Seat Heights: 15" | 18"

Shell Colors: 28 Options Available
Frame Colors: 34 Options Available

Elephant Z-Stool

Ergonomic design, stylish comfort, and strong as an elephant, this is the perfect seat for hands-on settings. Blow-molded, lightweight polypropylene contoured seat, and sturdy u-shaped sled-base legs.

Seat Heights: 18" | 22" | 24"

Optional Additions: Backrest | Footrest

Intellect Wave Stool

Engineered for classrooms, labs, or innovation centers. Durable with exceptional comfort. One piece contoured shell, with fixed arms or armless. Pneumatic, single-paddle height adjustment.

Adjustable Seat Height: 20-1/2" to 30-3/4"

Shell Colors: 28 Options Available

ErgoEngage Tall Chair

Stool height, budget friendly chair, with bent powder-coated steel tubing legs and polypropylene seat shell. Available in a variety of seat colors and metal finishes.

Seat Height: 30"

20 Colors Including: Beige | Black | Blue | Brown | Green
Lt. Blue | Navy Blue | Orange | Red | White | Yellow.

Katera Café Stool

Add distinctive style to your space. Available in a variety of combinations to match any aesthetic, including all poly, all wood, fully upholstered, poly back with upholstered seat, or wood back with upholstered seat.

Refined design with synchro swivel-tilt mechanism and adjustable lumbar support for cutting edge ergonomics. With innovative mesh back and lightweight frame.

Adjustable Seat Height

3 Frame Colors: Black | Fog | White

12 Accent Colors | 10 Mesh Colors

Soft Seating

Rock'n Roller

Smooth running design makes this chair both comfortable and ready for active learning. The slight curve in the base encourages safe, healthy movement. Solid foam construction.

Seat Height: 12" | 16" | 18"

Mix and match seat and back colors.

ROK Drop

This active seating solution is sure to be a hit with your active learners. Rounded base allows for energized students to satisfy their urge to move. Solid foam construction.

Seat Heights: 12" | 14" | 16" | 18"

Mix and match seat and side colors.

Bump Bench

Sometimes straight lines are so predictable! Bring movement and flow to stagnant spaces, as a stand-alone bench or pair with other soft seating designs to create an engaging educational space.

Seat Heights: 14" | 16" | 18" | 20"

Mix and match seat and side colors.

Armless Series

Transform any seating arrangement with one or multiple pieces. Smooth edges, light-weight structure, and mix and match designs make this a very flexible choice.

Seat Heights: 12" | 14" | 16" | 18"

Mix and match seat and back colors.

Round Ottomans and Lily Pads

Learning happens everywhere, even on the floor. Give students their own personal, comfortable space to sit.

Rectangle Ottoman Soft Seating with Sled Legs

“ Available in a variety of shapes and sizes, foam ottomans offer a rare combination of durability, style, and utility. ”

Round Ottoman

Bring a classy but relaxed ambiance to any room or space. Round ottomans are a perfect accent piece wherever you need to stretch your legs, sit, or relax.

Seat Heights: 12" | 14" | 16" | 18" | 20"

Mix and match seat and side colors.

Lily Pad & Dolly Cart

Learning happens everywhere, even on the floor. Made of high-density foam with fabric cover, ensuring comfort made to last. Cart adds easy storage and transport.

Seat Heights: 3" | 6"

Mix and match colors.

Step Series

Built to impress and function in any environment. Solid foam construction means there are no hard edges, and they are light and convenient to move. Fit together the entire series for countless arrangement options.

Seat Heights: Varies

Mix and match seat and side colors.

Linear Chair

Transform your seating arrangement with the armless chair. Solid foam construction, with smooth edges make it flexible enough to adapt to different settings.

Seat Heights: 12" | 14" | 16" | 18"

Mix and match seat and back colors.

Stack Chairs
