Ruckus® Lectern

by

Ruckus mobile, height-adjustable lectern offers interaction, mobility, and freedom to teach and learn any way.

Key Features

A Curved Worksurface

Generously sized worksurfaces with a curved front edge provide additional belly room and enhanced comfort.

B Durable Edges

73P bonded poly edge banding provides moisture and tamper resistance (available in numerous standard colors).

C Adjustable Height

Sit/stand height pneumatically adjusts from 28.75–42.75".

D Mobility

Casters provide mobility to promote flexibility.

E Book Bag Hooks

Optional book bag hooks available on both sides, unless cupholder is specified.

F Book Basket

Optional book basket includes two integrated book bag hooks.

G Cup Holder

Optional cup holder can swivel and is available on left- or right-side.

H Modesty Panel

Choose from acrylic, steel, or felt in a variety of colors.
